

AMEN: L'Archange Mikael, le Messie et la Lignée du Graal

A master piece! Who is the Archangel? What is the meaning of his name? What is his relationship with the Dragon, His role during eclipses and the shift of the earth-axis?, Amen unveils Michael's connection with the Mother, the Black Madonnas, Royal lineages and secret societies. Michael El Nour reveals the nature of the Grail and of the Baphomet as well as the role of the Knights Templar and of the papacy in this regard. Amen debates the story of Jesus and the prophesied return of the Son of Man, the Anointed --- the "Egyptian Iu, the Ever Coming One, who was personified as the Divine Child, that is the Su, hence Iusu/Jesus"--- What then is the tie between the archetype of Savior and forerunner of divine judgment and the Solar Archangel Michael? Of more pressing interest, Michael El Nour illuminates the link between such apparently arcane subjects and the tangible realities of global power and politics.
