

# **Death and the Afterlife: A Chronological Journey, from Cremation to Quantum Resurrection (Sterling Chronologies)**

Throughout history, the nature and mystery of death has captivated artists, scientists, philosophers, physicians, and theologians. This eerie chronology ventures right to the borderlines of science and sheds light into the darkness. Here, topics as wide ranging as the Maya death gods, golems, and seances sit side by side with entries on zombies and quantum immortality. With the turn of every page, readers will encounter beautiful artwork, along with unexpected insights about death and what may lie beyond."

Internationally renowned author, Clifford Pickover, has published more than 40 books, translated into over a dozen languages, on topics ranging from science and mathematics to religion, art and history. Dr Pickover received his PhD from Yale University's Department of Molecular Biophysics and Biochemistry and holds more than 200 US patents. His research has received considerable attention from such media outlets as CNN, Wired and the New York Times, and his website, [pickover.com](http://pickover.com), has received millions of visits.
