

Sally Mann: Immediate Family

First published in 1992, *Immediate Family* has been lauded by critics as one of the great photography books of our time, and among the most influential. Taken against the Arcadian backdrop of her woodland summer home in Virginia, Sally Mann's extraordinary, intimate photographs of her children reveal truths that embody the individuality of her own family yet ultimately take on a universal quality. With sublime dignity, acute wit, and feral grace, Sally Mann's pictures explore the eternal struggle between the child's simultaneous dependence and quest for autonomy, the holding on and the breaking away. This is the stuff of which Greek dramas are made: impatience, terror, self-discovery, self-doubt, pain, vulnerability, role-playing, and a sense of immortality, all of which converge in these astonishing photographs. This reissue of *Immediate Family* has been printed using new scans and separations from Mann's original prints, which were taken with an 8-by-10-inch view camera, rendering them with a freshness and sumptuousness true to the original edition.

Review

the book that catapulted her career into the realm of critically lauded and publicly debated celebrity
Rebecca Bengal, "vogue.com"

[Mann's photographs] suggest that the camera is adept at depicting the desires of the subconscious as it is in rendering the shapes of everyday life. Andy Grundberg, "The New York Times"

Probably no photographer in history has enjoyed such a burst of success in the art world. "The New York Times," 1992

The fears and sheltering tenderness that any parent has felt for his or her child were realized with an eidetic clarity "The New York Times," 1992

Photographs seem to represent, for Mann, a counter-reality, an opposition to what is and what was. "The Atlantic"

They were simply among the most beautiful photographs I had ever seen. Sebastian Smee, "The Boston Globe"

Sally Mann continues to probe the intimate life of her family and come up with startling, disquieting revelations. Mann's extraordinary picture of her nude daughter suspended like a shimmering white fish on a porch with unconcerned adults resonates in your mind like a dream. Vince Aletti, "Village Voice" "
