

# **Suzuki Violin School, Vol. 1(French)**

Descripción The Suzuki philosophy is based upon the idea that children can learn music in the same manner they do their native language, through repetitive listening. This listening is then followed up with 1) Individual Instruction with a trained Suzuki teacher 2) Group lessons on a bi-weekly / weekly basis 3) Parent Involvement 4) Encouragement. Students begin lessons as early as two years old and through repetition of small and enjoyable steps begin building a music vocabulary.
